

Workshop and Seminar Series 2012

Self-assessment: strategies and software to stimulate learning

RETROSPECTIVE - RECORDINGS & PRESENTATIONS

Workshop held on 11 June 2012, 10:00 – 16:00

Venue: Berrill Lecture Theatre, The Open University, Milton Keynes

This workshop on 11th June was attended by a diverse audience of about 60 people from over 25 universities, colleges and businesses. Much of it, including discussion, was recorded by OU staff. To view a talk please click on the appropriate session link, and once the recording is loaded (in a separate window) find the point indicated below by the the times on the left. To play the recordings you may need to install or update QuickTime on your computer, as the recording window will explain. Three types of record are available: Audio only, low resolution (not good for text) and medium resolution (requiring good bandwidth and possibly slow to load). You may prefer to view the high resolution pdf files below (click the links associated with titles) while listening to a recording.
